

The Energy Transition Lab would like to invite you to the 2017

MIDWEST Energy Storage Summit

Friday, September 15th

8:00 AM to 4:00 PM Summit at University of Minnesota Coffman Union Theater

4:00 PM to 6:00 PM Reception at the Campus Club

Join over 300 business, nonprofit, government, and academic leaders for a day to learn and engage on the forefront of energy storage thinking, planning, and projects in the Midwest.

Featured keynote speaker Mary Powell, President and CEO of Green Mountain Power in

Vermont. Mary has implemented a startup culture with a shift from the traditional utility model -- obsessing over the customer, mixing employees in order to uncover new ideas, testing out new products and reimagining the power delivery business model itself. Through this transformation, Green Mountain Power has become a leader in energy storage integration and cultivating the clean, flexible, and reliable electric power system of the future.

Also featuring...

- **Chris Clark**, President, Xcel Energy, Minnesota, North & South Dakota
- **George Crabtree**, Director, Joint Center for Energy Storage Research, Argonne National Laboratory
